Ancient Faith Kids

Friends!

The video ministry of Ancient Faith Kids is about collaborating with real people from the Orthodox Christian tradition who are willing to share their gifts and talents with children. There are so many smart, wise, creative, lovely people who have never considered filming a video and working in collaboration with us. Because you are all unique, we think we could make videos for kids featuring each and every one of you!

How Ancient Faith Kids works:

Video quality is very important. We don't expect everyone to have ***all*** of the video expertise to make a series. So, we created a team!!!:

- J helps with scripts and manages the projects start to finish
- A helps with the artistic decisions. Brand, style, palette
- M helps with music, photography, promotion, and graphics
- K helps with all things video—lighting, sound, room set up, editing

Every series has:

At least ten episodes

- We'd like the viewers to have multiple ways to learn about a subject, so we want more than one episode on things.
- Most videos are short, between 3-8 minutes, with the typical episode around 5 mins. There are some exceptions to this....
- Can go more than ten episodes! Some series have closer to 20 or 30 episodes, and we mutually agree if we want to continue.

To get started, we need:

A short written pitch via email including whatever details you think would be helpful for us to know. Please send it to **ancientfaithkids@ancientfaith.com**

We have a ***huge idea list*** of series we'd love to see come to fruition, feel free to reach out to us to hear about some of the things we're looking for.

Random, yet important, notes:

1. We do not use any AI in our creative work. No AI music, no AI illustrations, photos, animations, writing of scripts, etc
2. We are donation based so we are very careful with our resources. Thank you, donors!
3. We'd love to hear from you!
